

RIVERSIDE CRICKET — SEASON NEWSLETTER

Captain's Report

It has been a remarkable season for the first eleven. We finished second in Division B, narrowly missing promotion by six points. The batting was anchored by A. Sharma, whose two centuries and average above fifty set the standard for the side all summer.

Our bowling attack, led by S. Khan, was the meanest in the division. Khan took twenty-seven wickets at an economy under four runs an over and was deservedly named Player of the Season at the club dinner in September.

Fixtures Update

The 2025 pre-season nets begin in March at the indoor centre. Subscriptions are due by the end of February; please pay the treasurer to confirm your place. The senior membership fee is held at ninety pounds for the year.

Junior Section

The under-15s had their best season yet, winning the county plate. Coaching continues on Friday evenings. New players aged nine to fifteen are welcome; the first three sessions are free of charge before any fee is payable.

Groundsman's Note

The square came through the season well despite the dry July. We will be re-seeding the outfield in autumn. Members are reminded that metal spikes are not permitted on the artificial practice strips under any circumstances.

Social Events

The end-of-season quiz raised four hundred pounds for the junior fund. Thanks to all who attended. The winter dinner will be held on the second Saturday of December; tickets are twenty-five pounds and include a three-course meal.
